

## SWEET TABLE STYLING

Celebrate life's sweetest moments! Sadie Baby Sweets we will work with you to create personalized sweets tables decorated with our delicious and beautifully crafted mini desserts. Styled tables are perfect for weddings, corporate events, holidays, birthdays, graduations, baby showers, bridal showers, bar and bat mitzvahs, sporting events, and more! We offer a broad range of catering packages perfect for events big and small. Our styling services are a separate fee from your sweets order and start at \$400. We will give you an itemized proposal for the sweets you want to order and for the styling services. Prices are based on the size of the table and fixtures needed to accommodate the sweets for your guest count. We require a 25% deposit on the agreed-upon proposal "To Save the Date". All deposits are non-refundable and the final deposit is due at least 2 weeks prior to the event date. No refunds are given if an event is canceled or after the final payment is made. Consultations are available for sweets table styling by appointment. Each consultation lasts around an hour and you will receive a goodie bag of our most popular sweets.

## SWEET STAND RENTALS

Display stands ensure that your cake pops, cupcakes, and other sweets are beautifully showcased. We require a security deposit upfront, which will be returned to you if the rentals are brought back in acceptable condition. For the pricing, stop in to see our extensive selection. You may also allow our expert staff to customize a style to compliment your event.
